TWO DROWNINGS IN A WEEK

Empty Boat Goes In Circles, Executive Dies

John Woods, 48, of Ridge Point Cres., North York, vice president of Canadian Admiral Sales Ltd., drowned in Spruce Lake, three miles east of Haliburton, Saturday.

Mr. Woods had left a neighbor's cottage on Mud Lake to pick up his wife, Mabel, from their Spruce Lake cottage when the accident happened.

Neighbors saw the empty boat running around in circles.

Ontario Provincial Police and cottagers dragged the lake Saturday night and all day Sunday but failed to recover the body.

The body was finally recovered Wednesday morning by Alf Burke and O.P.P. Const. Ricard of Haliburton.

They think Mr. Woods may have had a heart attack.

He was born in London, England and came to Toronto 10 years ago. His widow, a son Roger, 15, and a daughter, Pauline, 17, survive.

New Secretary Manager

At a meeting of the Haliburton Highlands Chamber of Commerce held on Monday evening Mrs. Fred Brooks was appointed secretary manager of the Haliburton Highlands Chamber of Commerce in the place of Walter W. Noice who has been forced to relinquish his duties in this connection due to ill health.

We feel that the executive has in this case made a fine selection as Mrs. Brooks is exceptionally well qualified to fill this position and is taking over just when the tourist business is at its height.

Child Drowns At Kennisis L.

Two year old Donald Ross drowned in the mill pond of Hay & Co., Kennisis Lake, last Monday evening.

The child was playing outside his home when he wandered to the nearby mill pond. He was found a few minutes after he disappeared.

Artificial respiration was applied immediately. The Haliburton fire department rushed to the scene with a resuscitator and tried for two

hours to revive the child.

Mrs. Donald Ross and her son had been staying with her parents, Mr. and Mrs. Elmer Sawyer who live near the mill.

Donald Ross Sr., the boy's father is serving with the R.C.A.F. stationed in Toronto. The funeral was held on Thursday of this week in Orillia.

The sympathy of the community is extended to the family.

Former Minden Man Receives USAF Award

A former Minden man, Sgt. Raymond Moore has been named the outstanding non-commissioned officer of the 15th Reconnaissance Technical Squadron of the United States Air Force.

Sgt. Moore was a pilot in the RCAF during World War II and spent a year in the RCAF after the war. In January 1949 he joined the U.S. Air Force and for four years was stationed in Japan. At present he is at the March Air Force Base in California. His mother, Mrs. John Moore, of Minden, received the following correspondence regarding the award received by Sgt. Moore.

15th Reconnaissance
Technical Squadron
March Air Force Base
California

3 July 1957

Subject: Announcement of Award.

To: Technical Sergeant Raymond W. Moore AF 154135 592, 15th Reconnaissance Technical Squadron, March Air Force Base, California.

1. You have been selected as the outstanding non-commissioned officer of the 15th Reconnaissance Technical Squadron for the six months ending 30 June 1957. You have been nominated for the Headquarters 15th Air Force award for the same period.

2. During this time you were the non-commissioned officer in charge of the planning section of the photomapping branch. Your technical skill, enthusiasm, and initiative have very materially contributed to the successful accomplishment of your branch's mission. You have initiated and conducted a training program that has greatly improved the skill of the airmen in your branch and the quality of the target materials they produce. Your wide knowledge of techniques and specifications, plus your careful attention to detail, has made you invaluable as an editor and inspector.

3. You have been an example to other members of the squadron in your military conduct and bearing and your off-duty activities.

4. Please accept my con-

gratulations for a job well done and an honor truly deserved. I am looking forward to working with you during my assignment as your commander.

Donald K. McCash,
Lieutenant Colonel, USAF
Commander.

J. Taylor Awarded Contract

We have been informed that Mr. Joe Taylor of Haliburton has been awarded the contract of the new post office which is to be erected in this village.

It is understood that work will get underway on this project in the near future.

This is, we believe, the first time that a local contractor has been successful in obtaining a contract of this nature.

New Business In Haliburton

A new business will be opening in Haliburton on or about August 19 when Myra Everall will commence operating a beauty shop from the Everall home on Victoria St.

Mrs. Everall is completing a course at the Toronto School of Hairdressing and will provide a complete year round hairdressing and beauty service of the residents of the Haliburton Highlands.

Mervyn Everall is leaving the DeHavilland Aircraft Co. in Toronto where he has worked as a production engineer for five years and will work with his brother Gord in the Canada Dry agency. In September he will move to the University of Toronto to study arts preparatory to entering Wycliffe College as a theological student in the Anglican church. His decision to enter the church was largely attributed to Rev. Jas. O'Neil who remains a close friend and councillor.

The Everalls are working very hard to complete their home in preparation for their business undertaking. Myra hopes to provide her customers with the most up to date hairdressing shop in the Highlands and has pledged herself to provide the utmost in service.

Popular Western Show At Wilberforce

Slim Boucher and the Golden Prairie Cowboys hail from different parts of Canada—from Prince Edward Island to Alberta. Made up of versatile musicians and seasoned performers, most all members are on records and appeared on the coast-to-coast radio networks, and are now on Canada's largest traveling barn dance at CKNX, Wingham, Ont. Most have traveled from coast to coast and the U.S.

The Prairie Cowboys have made two motion picture shorts recently called "Rhythm Round-up," for a television film company in Toronto.

Just recently they appeared on the talent show "Pick The Stars" on CBC-TV.

The show consists of fast moving music, novelty singing, hit parade, both modern and hillbilly, rock and roll, trio singing, duets, singles, solo instruments such as banjo, spanish guitar, twin violin, mandolin, musical tricks with instruments, patter.

The comedy is handled by Lucky Ambo who traveled with Hank Williams, Hank Snow and many other American groups.

Earl Heywood has just released two numbers with the Dominion label and is getting a lot of publicity across the nation and in the U.S.

Scarboro Youths Ordered To Keep Away From Minden

Closs Barton of Minden was the complainant in Magistrate R. I. Moor's court when he gave evidence charging Murry Lang, Nelson and George Hamill of Scarboro Junction with assault. He displayed for the benefit of the court a bruised and swollen arm.

Barton stated that he was a week end guest at the home of Mrs. Langford when the three young men arrived. The screen door was locked on the inside but two of the accused broke the screen and the three walked in. Witness said he was grabbed by the arm and dragged out the back door by his

hair. He admitted drinking his own beer and did not know whether the three accused had been drinking or not.

The young men were let go on one year's probation and ordered not to return to the district. They also paid court costs of \$31.

Warning to Parents

Toddlers and any child not registered for the swimming and water safety classes should not be permitted to go to the Rotary Municipal Beach unless accompanied by a parent.

There is a danger of a small child falling, or being pushed into the water from the dock which has been built for the purpose of instructing the swimming classes.

Small children should not be sent to the beach in the care of an older child. A parent or adult should always accompany them.

Parents of children registered for the swimming classes are also urgently re-

quested to insist that the children attend the classes at the specified time and return home immediately after their instruction period is finished.

With about 170 children registered for the classes, it is necessary to arrange instruction for small groups of 20 or so at specified times.

If the children arrive at the beach before their class and stay after their instruction is finished, it only adds to the confusion.

Supervision can be given for your child only for the time of his or her regular instruction period.

At all other times the child is the parents' responsibility.

Parade To Start Legion Carnival

The stage is all set for the annual Legion carnival which will be held in Haliburton on Wednesday, evening, July 24.

The big event will start with a gala parade at 7.30 p.m. led off by the Haliburton County Brass Band. They will be followed by the men of the Canadian Legion, branch No. 129 and members from other branches. Also in the parade will be the Dysart fire department, Boy Scouts and other organizations from the county.

After the parade the large crowd which is expected will be on their way to the community arena for a night of fun and entertainment. At the arena will be booths, refreshments, bingo and games.

Two half hour stage shows will be presented at 9 and 11 p.m.

This year's Legion stage show will feature Dorothy Merrill of Toronto, accordion-

WHAT DYSART COUNCIL DID

A meeting of the Dysart municipal council was held in the council chambers at Haliburton on Monday with all members being present.

Following the presentation and approval of the minutes of the previous meeting, council passed a motion that Dr. Ball and Miss Beatty be requested for right of way from Kent Canadian Club to Hay & Co. millsite at head of Benoit's Lake.

Vinton Loucks of the

(Continued on Back Page)

dist and pianist, and Jack McLean, also of Toronto, comedian, impersonator and talented TV star. The evening will be highlighted by the draw for the 1957 Chevrolet deluxe hardtop sedan.

This promises to be a night to remember so let's all get out and have fun and also help the Legion whose money will go to benevolent work.

Notice to Proprietors of Children's Boarding Homes

The Children's Boarding Homes Act, 1957, passed at the last Session of the Ontario Legislature, came into force on July 1st, 1957.

This Act requires that any premises in which five or more children are lodged, boarded or cared for shall be registered. The requirement does not apply to institutions registered, licensed or supervised under other provincial Statutes or Departments.

If you are the proprietor of a boarding home for children, you should have your premises registered. Application forms and information are available from the Registrar of Children's Boarding Homes, Department of Public Welfare, Parliament Buildings, Toronto.

Your co-operation will enable the Department to complete the initial registration with a minimum of delay.

Letters to the Editor

The County Echo,
Haliburton, Ont.
Dear Sir:

In a nation-wide financial appeal there are always local conditions that make it necessary for some communities to step out of line and delay their effort. Such has been the experience of the Salvation Army in the 1957 Red Shield appeal. However, even making a conservative estimate of these delayed appeals, we are happy to report a 1957 victory.

An analysis of this victory shows abundant evidence of team work. Clerical workers, organizers, and canvassers worked closely in gathering in the dollars. Advertising and publicity media co-operated and often collaborated in a very wonderful way.

This all adds up to the kind of team work that makes Canada the envy of other nations.

Our warmest thanks to you and your newspaper for your contribution to this splendid achievement.

Yours sincerely,

L. Bursey,

Brigadier,

National Campaign Director

The Echo Recipe Of The Week

Porcupine Meat Balls

3 teaspoons dry Old Fashion
Garlic Dressing Mix for
salads

2 cans (8 ozs. each) tomato
sauce

1 1/4 cups water

1 cup packaged pre-cooked
rice

1 pound ground beef

1 egg, beaten

1 teaspoon salt

Dash of pepper

Combine 1 teaspoon of the dry dressing mix, tomato sauce, and 1 cup of the water in frying pan or heavy saucepan. Heat to boiling. Meanwhile, mix remaining 2 teaspoons dry dressing mix and 1/4 cup water with rice, beef, egg and seasonings; shape lightly into 1/2 inch balls. Add to hot tomato sauce. Bring to a boil, cover, and simmer 15 minutes. Makes 30 balls, or 6 to 8 servings.

OBITUARY

KATHERINE RANSON

In the passing of Katherine Ranson on Monday, July 8, 1957 at the Red Cross hospital, Minden has lost one of its oldest and most respected citizens.

Born in Minden on December 11, 1876 she was a daughter of Mr and Mrs. Thos. Ranson. She was a member of the United church and the Women's Institute.

Left to mourn her loss are her sister, Sarah Ranson of Minden and Mrs. William Wright (Annie) of Alliston; a brother Thos. Ranson of Grand Prairie, Alta; niece, Lucie Ranson of Minden and Laura, Mrs. A. M. Adams of St. Catharines.

The service was conducted by the Rev. Hugh MacDonald at her late residence on Wednesday, July 10 at 2 p.m.

The pallbearers were Jas. Graham, Rod Ward, Ernest Snell, Ken Lewis, Russell Lewis and Earl Hewitt. Interment was in Minden cemetery.

WILBERFORCE

Robert Herlihey of Minden is spending a holiday with his cousin, Gloria Jane Herlihey.

Friends of Rev. and Mrs. John Barclay of Bobcaygeon will be pleased to hear that they had a baby girl on July 10.

The draw for the child's wagon at Agnew's store took place on Friday night and was won by Mrs. P. Casey.

Mr. A. W. Cameron is visiting his daughter, Mrs. G. Newman this week.

Rev. and Mrs. Harry Herlihey and daughter of Preston visited Mr. and Mrs. Harold Herlihey on Sunday.

Mr. and Mrs. Cruickshanks of Toronto are visiting Mrs. Wm. Earle.

We are sorry to hear Mrs. Convent is ill at the home of Mr. and Mrs. Ed. Earle and wish her a speedy recovery.

A benefit dance was held at Jack's pavilion last Wednesday for the Merle Donaldson family who lost their home by fire. Around \$100 was given to the family.

Congratulations to Mr. and Mrs. Harry Clarke of Peterboro on the birth of a son on July 12, a new grandson for Mr. and Mrs. Walter Clarke.

School Promotions

Wilberforce public school promotions in order of merit.

Senior room, teacher Mrs. Herlihey, promoted from Grade 8 to Grade 9: Bonnie Johnston, Susan Cameron, Doreen Coumbs, Melvin Culbert, Vernon Boomhouer.

Grade 7 to Grade 8, Bob Daniels, Sally Cameron, Larry Linkert, Patricia Deterling, Roy Casey, Daniel Brede.

Grade 6 to Grade 7, Gloria Jane Herlihey, Roberta Bidgood, Joyce Saunders, Sandra Young, John Deterling, Hayden Bowen, Bob Linkert, Katie Saunders, Carolyn Roderick.

Grade 5 to Grade 6, Donna Culbert.

Junior room, teacher, Mrs. Kellett, Grade 4 to Grade 5, Diane Schell, Marilyn Ackley, Donna Mumford, Lynda Hogan, Sharon Godfrey, Jean Earle, Lyle Coumbs, Keith Gibbs, Rodney Bowen, Ted Roderick.

Grade 3 to Grade 4, Johnny Mather, Jimmy Holmes, Dawn Wallace, Billy Scott, Suzanne Klapow, Wayne Klapow, Lynda Mather.

Grade 2 to Grade 3, Larry Godfrey, Sandra Hogan, Bruce Gibbs, Billy Godfrey, Susan Sheehy, Trevor Sanderson, Billy Boomhouer, Terry Linkert, Barbara Saunders, Rickey Linkert, Robert Boomhouer.

Grade 1 to Grade 2, Lorna Strong, Darryl Tighe, Lynda Mitchell, Robert Wallace, Rocky Brede.

TORY HILL

On Monday, July 8 the members of the United Church in Tory Hill held a social evening in honor of Mr. and Mrs. Ken Allen who were married recently. During the evening the Allens were presented with a purse of money as a wedding gift. A very enjoyable social evening was spent by all and bounteous refreshments were served.

On Saturday, July 13 the Young People's Union of the United Church from Tory Hill, Gooderham and South Wilberforce held a bee to clean the church yards at the three points. After the work had been accomplished they had a swim at Lake Lorraine, a pot luck supper at Tory Hill and completed the day with a ball game.

Easy To See Why
Highlands of Haliburton
Vacation Wonderland

Truly a vacation wonder-
land, the Highlands of Haliburton
consists of a large
area of rugged hills, lovely
lakes, streams, stretches of
woodland and vista. Situated
right in the centre of Ontario,
they are easily accessible
to motorists and the finest
roads in the county are built
through the great tract of
holiday land.

Nature was in a lavish
mood when the Highlands of
Haliburton were fashioned to
delight mankind. Today, this
beautiful section of Ontario
is a matchless vacationland,
having a combination of all
the attractions a holiday
seeker would desire. Haliburton
is the premier resort of
Ontario.

There are more than 1,000
lakes, 550 of them named,
and the fishing, particularly
lake trout, speckled trout and
bass, is truly satisfying.

Warrants Investigation

No matter what type of
vacation a person seeks, this
section warrants an investi-
gation. For the fisherman
there is fishing for fighting
fish. For the man who wants
fun and comfort, there are
commodious modern lodges,
golf links, riding schools,
swimming, boating, dancing,
hiking, sandy beaches, and
many other activities that go
to make a real holiday.

Then Haliburton has rapid-
ly become "honeymooners'
paradise" and here the new-
lyweds come from all parts
of Ontario and the northern
U.S. for their honeymoon.

People for years have clam-
ored for a holiday spot,
possessing primeval beauty
and yet boasting all the modern
refinements that spell
luxury and comfort.

Haliburton is their answer.

To make the picture of this
summer playground clearer
in the mind's eye it may be
said that the holiday resort
area is roughly 25 miles in
diameter with the village of
Haliburton the hub. Lake
Kashagawigamog, which lies
just south of the Minden-
Haliburton road, has at least
15 major resorts on its
shores and many other pro-
minent summer places are
not more than 10 miles away.
This lake is 13 miles long
and stretches from Haliburton
village in the northeast
corner in a southerly direc-
tion until it ties in to Burnt
River through a series of
smaller lakes and streams.
The lake averages half a mile
in width and at its widest
point is one mile and a half.
Good roads follow the shore
of this stretch of water and
high hills rise all around.
There are bass and trout.

But this resort area is pro-
minent for its swimming,
golfing, dancing, campfire
parties and many other types
of summer activities. There
are resorts that cater to peo-
ple who want just a nice
quiet spot to spend a holiday
where there is good food and
accommodation. Family
groups and young people will
find resorts that meet the
needs of every member.

On the south shore of the
lake is the Haliburton golf
course which holds the uni-
que honor of being the most
picturesque in Ontario. The
first tee is near lake level
and the ninth is 350 feet
above level.

Tennis Leading Sport

Tennis tops the list of
sports and practically all the
resorts and the courts are

Mr. and Mrs. Geo. Thomp-
son of Sault Ste. Marie, for-
mer residents here, called on
Friends in the village recent-
ly.

Mrs. John Teasdale had as
her guests last week her sis-
ter-in-law, Mrs. Fred Joyce
and Mr. and Mrs. John Joyce
and daughter as Saskatoon.

kept in top-notch condition.
Several have up to half a do-
zen courts. Horseback riding,
archery, ping-pong, lawn cro-
quet and deck tennis, in
short every summer sport is
going on all the time. Large
lawns, well shaded, with com-
fortable lounging chairs are
popular.

Then there is Drag Lake,
a spot that provides good fun
with plenty of fishing. The
lake is beautiful and the
shoreline attractive. Other
beautiful lakes, and these
are only a few, are Paradise,
mountain, Twelve Mile, Red-
stone, Loon and Grace. Many
other lakes are easily acces-
sible to the motorist and on
every lake there will be
found excellent resorts. Then
there are the hundreds of un-
named lakes, many of them
real fishermen's paradise.
—Watchman-Warder.

STANHOPE COUNCIL

The following are the min-
utes of a special meeting of
Stanhope council held June
26 with all members present.

Moved by R. S. Thomson,
seconded by John Morrison,
that the council of the Mun-
icipality of Stanhope give

COURSES IN FOREST FIRE PROTECTION

The courses are sponsored by the Ontario Forest Industries Association and the Ontario Dept. of Lands and Forests.

In order that courses get under way with full attendance at 8 a.m. on July 15 and 22, it is essential that all trainees arrive for registration in the afternoon or evening of July 14 and 21 respectively. All times will be on Eastern Daylight Saving.

Monday, July 15 and 22

8 to 8:30 a.m., assembly and introduction to course by T. E. Mackey.

8:30 to 9 p.m., principles of forest fire protection and training objectives, J. C. Dillon.

9 to 9:30 a.m., forest fire legislation, A. J. Herridge.

9:30 to 10 a.m., formation of groups and appointment of group leaders, R. A. Hallonquist.

10 to 1:15, break.

10:15 to 11 a.m., film, "Fire Suppression" (National Film Board) and discussion, J. C. Dillon.

11 a.m. to 12 noon, fighting fire with hand tools coupled with sand box demonstration, W. A. Armstrong.

12 noon to 1:30, assembly for instruction, W. A. Armstrong.

1:30 to 17:00, field demonstration of the use of hand fire fighting tools, W. A. Armstrong.

19:00 to 19:30, investigation and legal aspect of fire causes, G. A. McMonagle, O.P.P.

19:30 to 20:00, the best type of fire extinguisher to use, fire marshal officer.

Tuesday, July 16 and 23

8:00 to 8:30, recap and discussion of hand fire fighting tools, D. A. Fawcett.

8:30 to 10:00, large fire fighting organization using sand box demonstration, G. D. McAdam.

10:00 to 10:15, break.

10:15 to 12:00, discussion of large fire fighting organization coupled with sand box demonstration, G. D. McAdam.

12:00 to 13:00, lunch.

13:00 to 13:30, assembly for instruction, G. D. McAdam.

13:30 to 17:00, field demonstration covering use of mechanical equipment such as tanks, ploughs, pumps and including an aerial pump drop and set up, also hose handling and nozzle work, W. A. Armstrong.

19:00, panel discussion on subjects dealt with. The instructors will form panel to answer questions from trainees, moderator T. E. Mackey.

Wednesday, July 17 and 24

8:00 to 8:15, recap and discussion of use of mechanical equipment, D. A. Fawcett.

8:15 to 8:30, forest insect and disease damage as related to forest protection, D. M. Peacock.

8:30 to 8:45, fire danger rating, L. Affleck.

8:45 to 9:00, discussion period, D. A. Fawcett.

9:00 to 10:00, the use of fire as a control measure, W. E. Land.

10:00 to 10:15, break.

10:15 to 10:45, organization and training of fire fighting crews (company), W. E. Land.

10:45 to 11:30, organization and training of fire fighting crews (department), J. E. Barnes.

11:30 to 12:00, discussion, J. E. Barnes.

12:00 to 13:00, lunch.

14:00 to 14:00, slides illustrating various burns, cut over areas coupled with fire behaviour, G. D. McAdam.

14:00 to 17:00, field demonstration including tanks and muskeg tractor with plow, J. E. Barnes; helicopter use, aerial water bombing from Beaver and Otter, ground hailer and cargo dropping of precooked frozen meals, J. C. Dillon.

WEDDING

Francis-Cowen

On Saturday, June 29 a very pretty wedding took place in the First Baptist Church, Haliburton, when Mae Muriel Cowen, daughter of Mrs. Wm. Cowen and the late Wm Cowen became the bride of Allan Dawson Francis, son of Mrs. J. Francis and the late John Francis of Gelert.

Rev. G. E. Dowling officiated at the ceremony assisted by Rev. John E. Smith.

Given in marriage by her uncle, Mr. Cecil Harrison, the bride chose a white nylon dress, a beaded cap held the finger tip veil and carried a bouquet of pink roses.

Mrs. Eldon Cowen was bridesmaid. She wore a yellow nylon dress and carried pink and white roses. Mr. Eldon Cowen was best man.

Walter Cowen and Leonard Cook were ushers.

The supper was held in the Orange hall, Haliburton. The bride's mother chose a floral printed nylon dress and was assisted by Mrs. Francis who chose a blue nylon dress.

The happy bride and groom will reside in Morrisburg, Ont., where Mr. Francis is employed with the Ontario Hydro Commission.

HALIBURTON

Mr. and Mrs. Garnet Sedgwick of Haliburton were holiday visitors to Ottawa, Kingston, Gananoque and Pembroke Tuesday and Wednesday of last week.

Mr. and Mrs. Don Iles were visitors to Toronto over the week end.

Mr. Al White of Toronto was a visitor to Haliburton over the week end.

Mr. and Mrs. James Marshall of Weston visited at the home of Mr. and Mrs. George Wheeler over the week end.

Mr. Bernard Hutchings, who is employed at Oshawa spent the week end at his home here.

Mrs. Glen Blair of Oshawa spent a week's vacation with her parents, Mr. and Mrs. Garnet Kellett.

10:00 to 19:30, film, "Large Fires in Brush and Grass."

19:30, social evening.

Thursday, July 18 and 25

8:00 to 8:30, forest fire prevention, A. J. Herridge.

8:30 to 9:00, safety as related to subjects under discussion, G. D. McAdam.

9:00 to 9:30, use of compass, D. A. Fawcett.

9:30 to 11:30, summation of course and report from groups on value of co-operative training, J. C. Dillon.

13:30 to 16:00, demonstration of aerial and ground fire fighting, equipment, weather permitting, which is open to public and such may be so announced in advance, J. C. Dillon.

Medical Milestones

Medical Science Helps Diabetic Women

Development of a pill capable of lowering blood sugar in many diabetics has refocused world attention on the still mysterious disease of diabetes.

We know that this disease in its most common form is due to insufficient secretion of a hormone called insulin by the pancreas, a gland located behind the stomach. We have also learned to control the disease by insulin injections, a fact for which we are indebted to the Canadian doctors F. G. Banting and C. H. Best.

However, we still do not know the ultimate cause of diabetes, nor do we know why it afflicts more women than men. Of some 200,000 diabetics in Canada today, about 125,000 are women.

Strangely enough, before the age of 45, both sexes are equally susceptible to the disease. After 45, however, twice as many women as men become diabetics. Statistical studies have also shown that married women run twice as prone to the disease as single women, and that the susceptibility to diabetes increases with the number of children borne by a mother.

Medical men are not quite sure why this is so, but they all agree that, in addition to being more prone to diabetes, women have more difficulty than men in controlling their condition. This is due to physiological reasons as well as to the fact that women's manifold duties as housewives and mothers make it very difficult for them to be as careful about their diet and their regular insulin injections as they should.

Consequently, the new oral anti-diabetic drug called Orinase, which

was originally developed in Germany, and is now produced in Canada by Hoechst Pharmaceuticals of Montreal, may be even more of a boon to women than to men. In clinical trials involving 20,000 diabetics, Orinase proved to be effective and safe in four out of five patients over 40 years of age. Since 75% of all diabetics are over 40, the drug is thus expected to enable the majority of diabetic men, — and, even more so, women — to enjoy a new freedom — the freedom from insulin injections.

Minden Rotary

Well here we are started in another Rotary year and into the summer season, the latter with the influx of guests. Some dozen clubs were represented at this last meeting. Club activities are moving forward under the direction of president Joe Men-nill and we are getting installed in our new locale, Geo. Pound's "Wreck Room."

Our speaker of the evening was Hadley Armstrong, director of Onondaga Camp. We found Mr. Armstrong a very interesting speaker, outlining the history of camps for young folks, say six to 16, noting that with pollution, that the places where children can learn to swim in the metropolitan areas is getting less and less.

Getting down to camp activities he noted the following headings: safety, health, fun and skills and with these objects develop character, purpose and self service. He also noted that with books suitable for the age groups the use of "comic" books went into a sharp decline. In closing he used the following acrostic:

C for companionship
 A for Adventure.
 M for Memories
 P for Pathway of life.

These camps of which there are quite a number in our country not only develop boys and girls but also are a great advertisement for our area in that the parents get to know it by visits to their children.

—Thos. Brignall.

Letters to the Editor

Toronto 5,
 July 16, 1957.

The Editor,
 County Echo,
 Haliburton, Ont.

Dear Sir:

We are extremely grateful for the support that you gave to the Ontario division of the Canadian Red Cross Society during their water safety week. Although one week of water safety rules in the press and on radio and TV cannot possibly eradicate all the unnecessary drownings, we certainly hope that they may be curtailed to some extent. By repetition of the water hazards followed by the rules, the panic which results from ignorance may be avoided to some extent.

May I cite an example. In Hamilton, during water safety week, there was a demonstration on the Holger Neilson method of artificial respiration. A woman, with her 18 month old son, who had learned the Schafer method during the war and felt that it was certainly adequate, happened to attend the demonstration. She was soon convinced that the newer method was far more effective and went home and taught her husband that evening. Not two days later, the father had to use it on his own child. The little boy had wandered away, and when discovered face down in the fish pond close to their house, he had stopped breathing. Immediately the father applied the newly learned method of artificial respiration and brought the child around. The child was taken to hospital for observation, but as he showed no ill effects, he was allowed to go home within a couple of days.

We heard of this particular case from a letter sent to our Red Cross water safety chairman in Hamilton. Thanks to the various media of publicity, that particular mother had attended that demonstration and by so doing was directly responsible for saving the life of her child.

Again, may we thank you for giving us your support. However, even after our concentrated efforts in June,

WE SELL FOR CASH, BUT WE SELL FOR LESS

R. H. BROHM GROCETERIA

Haliburton

more people were drowned in Ontario than during the same month last year. Maybe by the combined efforts of us all during July and August, we can somehow or other reduce the appalling number of deaths through drowning.

Yours sincerely,
 Charlotte Keens,
 Publicity Director,
 Water Safety Week.

(Continued from Page One)

Township of Minden was appointed commissioner of the Dysart Municipal Telephone System. Mr. Loucks will fill the vacancy on the commission caused by the death of the late Harold H. Hill.

Accounts were passed totaling \$45,124.00. Of the above amount the sum of \$30,600 was repayment of a loan to the Dysart Electric Light Commission.

Authority has been granted for the issuance of debentures to the amount of \$50,000. This sum to be used for the construction of two additional rooms at the Victoria St. public school.

At this point in the session councillor Emmerson took issue with councillor Nicol with regard to a letter that appeared in the County Echo over her name stating her position with regards to the proposed salary increases of the council.

Councillor Emmerson stated that in most cases members of council had to leave their employment or business which entailed considerable financial loss on their part and he thought that the councillors were quite justified in increasing their salaries. Councillor Nicol said that she had written the letter more or less to clear the air in reply to a letter appearing in the press written by Mr. Sam Pasquino.

Councillor Nicol stated that in some quarters she had been accused of being the author of said letter.

Reeve Noice stated that ordinary laborers demanded from \$1 to \$1.25 per hour for their services and stated that councillors Griffin and deputy reeve Sisson had to beg time off from their employers and that councillor Emmerson had to leave his business in order to attend sessions of council. The reeve gave it as his opinion that councillors were working for a mere pittance.

A by-law was passed with the unanimous vote of council granting the reeve a salary of \$600 per annum—one third is to be deemed as expenses incidental to the discharge of his duties as head of the council.

Another by-law setting the annual allowance for councillors at \$300 per annum of which \$100 is to be considered as expense money. It is noted that any councillor who is absent from a session will have \$6 deducted from his allowance for each meeting absent.

When vote was taken on this by-law councillor Nicol registered a nay vote.

From what we can gather things are not going too well at Fishtail Lake where due to the public being denied access to said lake the council has ceased to maintain the road. When one hears all sides of this knotty problem we can appreciate what the United Nations has to contend with over uninterrupted passage through the Suez canal.

Apparently a considerable amount of lake frontage on Fishtail Lake has been acquired by a Mr. Angus E. Germain and some time ago this gentleman came to council stating that he intended starting a subdivision there and at that time was informed by council that he would have to provide right of way and sufficient parking space for those of the general public wishing access to the lake.

Mr. Germain was not taken with this idea and lately has been refusing to let fishermen go across his property at the end of the road maintained by the municipality—so the council countered by refusing to continue maintenance work. This did not effect matters much until the torrential rains on the July 1 weekend which have rendered the road nearly impassable. A letter was read to council from Hollingworth,

Stanbury, Wilson and Stanbury asking council to reconsider their action in refusing to service the road.

Letters were also read from two other ratepayers who had purchased lots from Mr. Germain protesting the council's action.

The said ratepayers were sent letters to the effect that until the road becomes a public road and not a limited highway as now so made by Mr. Germain with a public landing on the lake the municipality would be spending money illegally thereon.

Wedding Of Local Interest

Salvatori-Bush

A wedding of local interest was solemnized in the Burlington Baptist Church on Saturday, July 6 at 4 o'clock when Betty Rae, daughter of Mr. and Mrs. Archie Bush of Burlington exchanged vows with Mr. Leonard Salvatori, son of Mr. and Mrs. A. P. Salvatori of Haliburton. Rev. Leonard Hultgen officiated, assisted by Rev. Alfred Nelson of Alto, Mich., brother-in-law of the bride.

Given away by her father, the bride wore a full length gown with short sleeves, Sabrina neckline and a petit point panelled bouffant skirt. A jeweled scalloped cap held her fingertip veiling of illusion in place. She carried a bouquet of pink roses and white shasta daisies.

Miss Helen Bush, maid of honor, wore a waltz-length powder blue gown with lace bodice and lace paneled bouffant skirt and a matching bandeau headpiece. Her bouquet was of yellow shasta daisies.

The bridesmaids dressed

identically as the maid of honor were Mrs. V. W. Blackmere of Galt, Ont., Miss Shirley Bush, both sisters of the bride and Miss Eileen Salvatori, sister of the groom.

Mr. Albert LaRue of Haliburton was best man and ushers were Mr. Graham Bush, Mr. Victor Blackmere both of Galt, and Mr. David Chambers of Haliburton.

Mr. Keith Hopkins provided the organ music and accompanied the soloist, Mrs. Wm. Hines.

Following the wedding a reception was held at the Estaminet in Burlington where the bride's mother received the guests in a powder blue lace gown with matching hat and a corsage of red roses. The groom's mother wore a navy lace gown with pink accessories and a corsage of pink roses.

For a honeymoon trip to Quebec City and the Laurentians, the bride wore a powder blue linen sheath dress with matching jacket, a white picture hat and patent accessories.
